

Gicon Pumps & Equipment is proud to announce Gicon Pumps Gold™ Rewards, a new program designed to reward our valued customers for their everyday business.

How does the program work?

- Simply use Gicon Pumps & Equipment's exceptional customer service to deliver all your highest quality pump and related equipment needs this year, and you will earn 3.5 points for every dollar you spend with GPE this year. No tracking or reporting will be required by you, we do all that for you!
- The points you earn will be redeemable toward over 300,000 merchandise awards and travel options like cruises, hunting trips, and hotel stays.

We track your yearly GPE business for you!

We'll keep you informed of how many award points you have earned regularly. Your personal award point bank can be viewed anytime at www.award-headquarters.com/gpe.
